

We are excited to announce a very special exhibition ***Bicycles for Humanity: A Portfolio*** running for the duration of Cycle for Humanity 2017 - a photographic exposé showing the positive impact of our international work in conjunction with a program of engaging Sunday public forums and special guests. The forums will be held at 3:30pm every Sunday in March covering the topics where Bicycles For Humanity is engaged - volunteerism, engagement, empowerment, and meaning.

March 5 Cambodia, Challenges and Engagement

March 12 Education. Why?

March 19 B4H: A Focus on Empowerment

March 26 Indigenous Australia, Experience and Knowledge
